5. Review the audited financial statements and any interim statements and discuss them with management and the independent auditor. These discussions should include a review of particularly sensitive accounting estimates, reserves and accruals, judgmental areas, audit adjustments (recorded or not) and other such matters as the Audit Committee or independent auditor shall deem appropriate.
6. Review recent professional and regulatory pronouncements, and understand their impact on the financial statements.
7. Regularly review with the independent auditor any audit problems, any risks of material misstatements due to fraud, difficulties with management's response (including restrictions or attempts to restrict the auditor's activities, restrictions on access to information, and significant disagreements with management) and the responsibilities, budget and staffing of the Authority's internal audit and control functions.

8. Review with management and the independent auditor all matters required to be communicated to the Audit Committee under generally accepted auditing standards, including the annual management letter.

B. Selection of Independent Auditor

1. The Audit Committee shall assist the Authority in retaining an independent auditor to conduct an audit of the Authority's financial statements, after engaging in the auditor selection process described below, which is in accordance with EO 122. The auditor selection process shall be based upon public, competitive bidding principles and shall take place no less than once every five years. The contract shall be awarded based upon the Authority's governing statute and regulations, and EO 122. The auditor selected shall report directly to the Audit Committee. At no time shall the independent auditor report to any staff member of the Authority.
2. In order to ensure the independence of the auditor selection process, the Audit Committee shall adhere to the following procedures when making a recommendation to the Authority in awarding a contract to an auditor:
 - a. An evaluation committee shall be established by the Authority to conduct the solicitation and evaluation of eligible auditors. The evaluation committee shall consist of no less than three members of the Authority.

The role of staff of the Authority shall be limited to providing assistance with the RFP design.
 - c. The evaluation committee shall review all responses to RFPs for responsiveness and responsibility and shall evaluate such responses pursuant to criteria established by the Audit Committee, as described below, and shall rank the responses with respect to such criteria. The evaluation committee shall prepare a written report of such evaluation and shall forward the report to the Audit Committee.
 - d. Prior to the solicitation of the engagement of any independent auditor, the Audit Committee shall establish criteria for the selection of an auditor and may weigh the criteria established. The weighted criteria shall be used by the evaluation committee during the evaluation of proposals. In developing the criteria to be used by the evaluation committee, the Audit Committee shall include the following:

 - ii. Quality of response to RFP package;
 - iii. Demonstrated ability and qualifications to conduct governmental audits;

In such event, the Audit Committee shall interview the firms responding to the RFP and rank the candidates after such interviews based upon the established evaluation criteria.
- f. The Audit Committee shall make a recommendation to the members of the Authority for award of an audit contract.
- g. The members of the Authority shall review the recommendation and make an award to a firm.
- h. The Audit Committee shall also issue a report to the State Treasurer within six months of making the recommendation to the Authority that sets forth the steps taken to comply with these procedures for the selection of an independent auditor.
